DO YOU WAKE UP In the Morning Feeling Tired and Miserable?

Paine's Celery Compound

Will Restore Lost Energy and Give
You That Vim, Snap and Strength
That You Should Possess
in Springtime.

If you wake up in the morning feeling
tired and miserable, let us assure you
that nature is warning you of dangers;
you have commenced to drift on the
rocks and shoals of disease. Overwork,
worry, harassing cares, or it may be ex-
cesses, are producing their dire effects.
Your nerves feel the shock and strain

MRS. A. D. MANNING
of Hunter, Ark.

first. You should thank Heaven that
you have nerves to warn you of ap-
proaching dangers.

Thousands in the glorious spring-
time, who rise up each morning tired,
weary and miserable, stand in need of
Paine's Celery Compound, the marvel-
ous medicine that frees the body from
acid blood and morbid waste material.
Paine's Celery Compound at the same
time strengthens the three great organs,
the stomach, the liver and kidneys.
When this good work is accomplished,
the nerve fibres are made strong and
vigorous and the whole system rein-
forced.

A few bottles of Paine's Celery Com-
pound used this month will save you
suffering and anxiety later on. The
results given by Paine's Celery Com-
pound are assuring and happy. Your
reward will be a perfect and unhampered
action of a clear and healthful brain
and nervous system, pure blood will
course through the body, you will have
sweet and refreshing sleep and perma-
nent good health.

Mrs. A. D. Manning of Hunter, Ark.,
says:—
"I have found Paine's Celery Com-
pound for years to be a great blessing.
I was in wretched health and could not
get a meal of victuals without sitting
down and resting two or three times.
While in this miserable condition,
almost wishing for the monster, Death,
to take me out of my trouble, my
brother-in-law advised me to try Paine's
Celery Compound, and bought me a
bottle. I found immediate relief and
was soon well. Now I am fifty-eight
years old, and can do as much work as
almost any one, and more than a good
many young girls. I heartily recom-
mend it to all sufferers."

A Remarkable Case.
One of the most remarkable cases of a cold, deep
seated on the lungs, causing pneumonia, is that of
Mrs. Gertrude E. Fenner, Merion, Ind., who was
suddenly cured by the use of One Minute Cough
Cure. She says: "The coughing and straining so
weakened me that I ran down in weight from 145
to 95 pounds. I tried a number of remedies to no
avail until I used One Minute Cough Cure. Four
bottles of this wonderful remedy cured me en-
tirely of the cough, strengthened my lungs and
restored me to my normal weight, health and
strength." J. J. Wood & Son.

The Stomach Is the Man.
A weak stomach weakens the man, because it
cannot transform the food he eats into nourish-
ment. Health and strength cannot be restored to
any sick man or weak woman without first restor-
ing health and strength to the stomach. A weak
stomach cannot digest enough food to feed the
tissues and revive the tired and run down limbs
and organs of the body. Kodol Dyspepsia Cure
cleanses, purifies, sweetens and strengthens the
stomach and membranes of the stomach, and cures
indigestion, dyspepsia and all stomach troubles.

"He Won't Die"

Of consumption" is a remark often made of a fleshy man. The remark expresses the popular recognition of the fact that the sign of consumption is emaciation, loss of flesh. On the other hand, a gain in flesh is a sure sign that wasting diseases are being cured.

Emaciated people with obstinate coughs, bleeding lungs, night-sweats and weakness, have been perfectly cured by the use of Dr. Pierce's Golden Medical Discovery. The several steps of the cure were recorded in ounces and pounds of increasing weight. When there is gain in flesh the wasting disease is being surely cured.

Mr. Wm. H. Whitmire, of Arkon, Rockingham Co., Va., writes: "Our son contracted a deep cold about the first of July, 1899, and had a terrible cough. We called a doctor and he pronounced it irritation of the bronchial tubes, with asthmatic trouble, and he informed me that my son was liable to die at any time. He told me that if we could keep the bronchial tubes open he might cure him; but after treating him several weeks and my son growing worse all the time, I concluded to try Dr. Pierce's Golden Medical Discovery and 'Pleasant Peppermint'. I had seen several almost miraculous cures brought about by the use of these medicines, and of course I had wonderful faith in them. He used three bottles of 'Golden Medical Discovery' at home and one via of the 'Peppermint', and was then well enough to go to West Virginia, taking a supply with him. I am just in receipt of a letter from him in which I quote: 'I am well and hearty and getting very fitly.'"

The Common Sense Medical Adviser, 1008 large pages is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

W. H. Vick of Mobile, Ala., who shot and killed Daniel J. Brown, alleging that Brown had ruined the Vick home, was found guilty of murder and sentenced to the Penitentiary for life.

Prince Albert Kakalimoku Kunulakia is dead of consumption in Honolulu. The Prince was the last descendant of Kamehameha the Great, and would, some day, have been King of Hawaii had the Kamehameha dynasty lived.

What's In a Name? Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles, hemorrhoids, itching and protruding Piles, itching, cuts, burns, bruises and all skin diseases. Dr. DeWitt's salve has no equal. This has given rise to numerous worthless counterfeits. Ask for Dr. DeWitt's, the genuine. J. J. Lee, Wood & Son.

A Sweet Breath

Like the fragrance of a rose comes a sweet breath from the healthy stomach. The breath is an index to the health. When the breath is bad the stomach is out of order. A disordered stomach strikes terror to the nervous system and weakens every tissue and muscle of the body. It weakens the brain, the heart and damages the kidneys. A disordered stomach starves the blood and weakens the system because it can not digest and assimilate sufficient food to keep up the health and strength.

Kodol
DYSPEPSIA CURE

corrects every disorder of the stomach. It is not recommended for any complaint except those arising from a disordered condition of the stomach. Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or overloaded, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol cleanses, purifies and sweetens the stomach. When you take Kodol everything you eat tastes good, and every bit of the nutriment that your food contains is digested, assimilated and appropriated by the blood and tissues.

Kodol Digests What You Eat—Makes the Stomach Sweet.

Bottles only. Regular Size, holding 2 1/2 times as much as the trial size which sells for 50 cents.
Prepared only at the laboratory of E. C. DEWITT & CO., CHICAGO.

"I have suffered with heart-burn, and have had most severe attacks of same. I would awake in the night with most suffering pains. I read of Kodol Dyspepsia Cure and with no faith, tried a bottle. I kept it at my plate on my table, and I must say, found quick relief. In all, I have taken three small bottles, and for the past year have had no return attack." DAVEN KIRO, Meriden, Wis.

"For a great many years I have been troubled with Dyspepsia. I have tried all the known remedies without obtaining any results. Kodol was recommended to me by my druggist and after taking a few bottles I am glad to say that I can eat anything I wish without suffering from indigestion. I recommend it to all sufferers from Dyspepsia, no matter how serious their case is." E. A. DECKER, Little Falls, N. Y.

MISS ROSE OWENS,

No. 720 Seventeenth St., WASHINGTON, D. C.

"If every suffering woman has the same experience with Wine of Cardui that I had, your medicine will be most popular. About a year ago I began to have a worn out tired feeling with lassitude, pains in the back and head which kept increasing every month. I felt that I needed something, but to get the right medicine was the trouble. I finally decided on your Wine of Cardui and only needed to take three bottles when I was fully recovered."

Miss Rose Owens.

If you are a suffering woman we would say to you that Wine of Cardui seldom fails to completely cure any case of female ills. We say emphatically, it never fails to benefit. Every day hundreds of sufferers are writing to our Ladies' Advisory Department. The letters are opened by persons competent to give advice. Mrs. Jones was cured by following the advice which was freely given her by the Ladies' Advisory Department. Miss Owens was cured without advice by just buying a \$1.00 bottle of Wine of Cardui from her druggist and taking this great medicine in the privacy of her home. No doctor's examination, treatment or advice is necessary. You have read what these two cured women have written. Is this not enough to lead you to determine to be rid of suffering?

August 13, 1900, Mrs. W. H. Jones, of Cameron, Mo., writes: "I suffered terribly at monthly periods for three years. I would sometimes go for seven months with no flow at all. Now I have my health back again and am expecting to be confined in January. I cannot praise your medicine enough."

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

River News

The Tacoma for Pomeroy will be up tonight.

The Queen City will be up tonight for Pittsburgh.

The Henry M. Stanley will be down tomorrow from Charleston.

The river is falling slowly at this point. It got high enough to compel the streetcars to transfer yesterday morning.

The Pacific No. 2, which left Pittsburgh Sunday at 3 p. m. with a tow of 17 barges, arrived at Cincinnati at noon Wednesday, making one of the quickest runs of a towboat known between the two places, and equalling the best time made by packets.

The Sprague arrived at Cincinnati and was forced to the shore. She could not get under the bridges on account of the height of her hogchairs, which are higher than her pilot house. Captain Jutte says that he will take his boat South as soon as she can be run under the bridges safely. The boat is reported to have acted beautifully during her trip, and her officials think she is a success.

Report of traffic in the Monongahela river in February shows the following amounts: Coal, 21,353,050 bushels; steel rails, 17,811 tons; other iron and steel products, 3,089 tons; gravel and sand, 16,729 tons; timber, 3,093 tons; merchandise, 2,391 tons; farm and dairy products, 233 tons; passengers, 334. The report of movements through Davis Island Dam in the same month, compiled by Assistant Engineer William Martin, shows 11,391,175 bushels of coal, the large amount of Monongahela river shipment over this amount having been held in the harbor until last week, when almost 12,000,000 bushels was sent down the Ohio. Four floods during February also affected the Ohio river movements. There were fifty-six passenger boats up and down the Ohio and 230 towboats. Of coal craft 465 empty pieces came up and 765 loaded pieces went down the river.

There is no improvement in the flood situation on the Mississippi river. Heavy rains fell Friday at New Orleans and points above. The levees at New Orleans are holding out well, but there are fears of a break at points in Mississippi, and all the state convicts are being taken to the river by special trains in order that they may be put to work strengthening the levees. Governor Longino expects to look after the work personally. A stage of 38 or 39 feet is still expected at Memphis, where the river continues to rise slowly. A stage of 50 feet has been reached in the Ohio at Cairo and the river is still rising. It will reach a stand at Paducah by today. At Henderson and

Owensboro it is falling. At Metropolis, Ill., several factories have been shut down. At Shawneetown, Ill., many of the residents have gone to the hills and are living in tents. The Wabash river is falling, but the White river is still rising, except at its headwaters.
